GREENEVILLE A. C. WON AGAIN

Cardinals of Hartford Put Up Strong Game—Score 12 to 7—Capitol City Team Had Crack Backfield—All Scores Made on Forward Passes—Fagan and Gadie Made Spectacular Runs.

Before a record breaking crowd the Greenville Athletic club displayed their great power in defeating the strong Cardinals of Hartford, 12 to 7 on the Cranberry gridiron Sunday afternoon, retaining their remarkable season's record of not tasting the sting of defeat.

The game from the start was a hard-fought one, with both teams exhibiting just a shade better in team work. Forward passes, executed perfectly, were the main feature, but the Cardinals' defense was three touchdowns scored were made on forward passes.

Capitall Fagan was forced to quit the game after putting up a stellar performance in the defense and also on the offense in the early part of the contest. The game was marked with many time out calls, "water" and frequent groans, but all injuries were merely temporary.

The Cardinals' backfield outplayed the Greenville boys and if they had had a little more time to rest, the game would have been different. Fagan and the Cardinals' backfield were the main feature of the game, and the Cardinals' defense was three touchdowns scored were made on forward passes.

1915 FOOTBALL SEASON

CLOSED SATURDAY.

High Class Backfield Material Was Abundant—All Eastern and Western Teams.

The close of the eastern football season finds a wide variance of opinion among close followers of intercollegiate play regarding the final rating of the leading eleven players. The players selected for the mythical all-eastern team, certain players, such as Barrett of Colgate and Mahan of Harvard, are unanimous choices, but in other positions half a dozen candidates are put forward, all having excellent claim for consideration.

High class backfield material was abundant as well as heavy, powerful men for the center of the line, but there was a scarcity of brilliant ends and quarterbacks. Soucy, Harvard; Lambertson, Princeton; Higgins, Penn State; Shelton, Cornell; and Stewart of Colgate all have their backers for the wing tip position. The players of Harvard are the popular choice, with Abel of Colgate, Schultz of Washington, and Gilmann of Princeton. Mack of Rutgers and McCall of Dartmouth in the running. For guards, Spear of Dartmouth, White and Schlachter of Syracuse, Hogs of Princeton and Black of Yale are the leading candidates. At center, Peck, Pittsburgh, is the player of choice, followed by Gilmann, Cornell; Gennert, Princeton, and McKean, Army, are also the recipients of much praise.

For the backfield, Barrett of Cornell is the logical quarterback, while Mack, Harvard, leads in the race for fullback. This is not the unanimous opinion regarding the two half-backs. Hastings, Pittsburgh; Wilkinson, Princeton; Gilmann, Cornell; Higgins, Harvard; Tolman, Rutgers; Berryman, Penn State; Rose, Syracuse; Scovill, Yale; Gillo, Colgate, and many others are offered as suitable material. While all those who have prepared all-eastern teams have not been heard from, the consensus of opinion knows the following players in the lead:

Ends—Soucy, Harvard, and Higgins, Princeton; Fullbacks—Gilmann, Harvard, and Abel, Colgate; Quarterbacks—Barrett, Cornell, and White, Syracuse; Centers—Peck, Pittsburgh, and White, Syracuse; Halfbacks—Hastings, Pittsburgh; Wilkinson, Princeton; Gilmann, Cornell; Higgins, Harvard; Tolman, Rutgers; Berryman, Penn State; Rose, Syracuse; Scovill, Yale; Gillo, Colgate, and many others.

YALE IS AFTER ALL SHARPE

FOR FOOTBALL COACH

It is understood that negotiations are underway.

According to the latest report Yale's alumni army has started a drive to have the coach of the football team, Dr. Albert H. Sharpe, a Yale graduate who has brought the football supremacy to the school to Cornell this season. It is understood a committee is already in negotiation with Dr. Sharpe, who is a Yale graduate and has been a coach of the football team at Yale for many years.

Sharpe was discouraged when he told them he had signed a new contract to coach Cornell teams in football, basketball and track, and that it did not expire until June 1920.

However they refused to accept this and as a result of the negotiations Yale leaders will send a communication to the Cornell Alumni association, asking that they be asked to resign from the long term contract because he is a Yale graduate and Yale wants to call him to the colors.

Among Yale's alumni, generally understood that Sharpe's contract contains a clause in which it is stipulated that the coach must give notice of resignation by giving notice at a certain period in advance. Some say this period is six months.

It is also understood that Sharpe is so very well liked and has been so successful at it that he may not be able to leave the school without a great deal of regret.

Some of his friends are asking why he should be expected to come to Yale, and they are asking why he would have to if he took charge of Yale football.

Nothing official will be done at Yale about head coach until after the December 1 meeting of the athletic heads at least.

A. A. U. POSTPONES KIVIA-SMITH CASE.

ATHLETES Appeal for Reinstatement—To Meet Jan. 3.

New York, Nov. 28.—The special committee of the Amateur Athletic Union, which heard the appeal of the Kivia and Harry J. Smith, New York runners, for reinstatement to their former status, adjourned after a brief session today until Jan. 3, when both sides will submit briefs.

Kivia of the Irish-American A. C. and Smith of the Bronx Church House athletic club were declared ineligible some time ago for having been found guilty by the Metropolitan association of the A. A. U. of having defrauded the amateur sports association in games at Schenectady, N. Y., last September.

The selections available for the following have received the greatest number of votes:

Anders—Chamberlain, Nebraska, and Boston, Minnesota.

Guards—Fitzgerald, Notre Dame, and Dunnigan, Minnesota.

Center—Hanson, Minnesota.

Halfbacks—Mauk, Michigan, and Rutherford, Nebraska, and Mack, Illinois, equally divided.

Fullback—Berman, Minnesota.

16 Players Killed This Fall.

Football claimed 16 lives during the 1915 season, which came to a close Saturday. Last year the toll was one less.

Not a single death was recorded in any game in which the players were known to be trained physically as well as mentally.

In most of the cases those who lost their lives were members of high school, college or university teams, where there is little or no system of physical training. In this year's toll 130 players were killed, of age or under, one being only 11 years old. Four of them were killed in 1914, while the others ranged in 21 years.

ARMY TRIUMPHS OVER NAVY.

Cadets Score 2 Touchdowns—44,000 Witnessed the Game.

The Army football eleven, showing a better state of preparedness than the Navy team, triumphed over the Annapolis squad Saturday afternoon by a score of 14 to 0. Twice during the 60 minute battle between the competing academies, the Army players hurled a 42-centimeter shell, in the person of Elmer Q. Oliphant, through the protective armor of the sailors, and in the Navy's line of defense, the Army players were successful in their efforts to hold the soldiers in check.

Had Oliphant been wounded in the opening minutes of the conflict, the Army would have had a chance, but the football hitting in the Navy's line of defense was so effective that the Army players were able to hold the soldiers in check.

The Army players were able to hold the soldiers in check, and the Navy players were able to hold the soldiers in check.

BRITISH INDIANS LEAVE EMPLOY OF GERMANS

Less Than One Hundred Remain With Them in China.

Peking, Nov. 28.—Not more than one hundred British Indians remain in the country, according to Sir John Jordan, the British minister in Peking. These Britons are chiefly in the employ of German firms at Shanghai and Hankow, about half of them being in each place.

Colonel Yate, a conservative member of the German firm in China, recently asked for information concerning these British subjects who worked for German firms in Chinese ports.

Lord Robert Cecil, under secretary of State for Foreign Affairs, sent a message to Sir John Jordan who replied at stated.
